# NY condo builders target less-wealthy amid market turmoil

Properties priced at US\$1,800-2,500 psf are in greatest demand from Chinese buyers

🕒 MON, NOV 02, 2015 - 5:50 AM

Tumultuous stock and commodity markets are roiling investors around the globe. For Hong Kong developer Neo Que Yau, that presents an opportunity on Manhattan's 59th Street. PHOTO: BLOOMBERG

New York

TUMULTUOUS stock and commodity markets are roiling investors around the globe. For Hong Kong developer Neo Que Yau, that presents an opportunity on Manhattan's 59th Street....

"The world economy is fairly weak in general, and I think there's a lot of room for the New York...
